TUALATIN VALLEY WATER DISTRICT

REMINDER: Meadow Grass Drive Main Replacement Project: Planned Water Service Shut Off in July 2024

Dear Valued Customer,

This is a reminder that water service to your home will be temporarily shut off for up to thirty minutes while Tualatin Valley Water District (TVWD) connects your water service line to the new water main installed on either NW Meadow Grass Drive, NW 171st Place, or NW 172nd Place.

Shut Off Details

Your home's temporary water service shut off will:

- **Duration:** Last up to 30 minutes.
- **Date:** Occur on one of the following days:
 - Tuesday, July 2
 - Wednesday, July 3
 - Monday, July 8
 - Tuesday, July 9
 - Wednesday, July 10
 - Thursday, July 11
 - Friday, July 12
- **Time:** Occur between 8 a.m. and 5 p.m.

TVWD will be connecting each home's water service line to the new water main in order. Because this work needs to happen one home at a time, we can't give you a specific date and time for when your water will be shut off.

Service lines transport water from the main to your homes. This temporary interruption is necessary to ensure safety, prevent any potential contamination, and allow for thorough inspection and testing of the service lines and new main before they are fully operational.

Impacts

During work:

- There will be heavy equipment and trucks temporarily located nearby.

- You will experience noise, vibration, and dust.
- Access to your home will be maintained.

Next Step: Permanent Paving

After connecting each customer's water service line, temporary patches will be placed on NW Meadow Grass Drive, NW 171st Place, and NW 172nd Place to maintain traffic flow while preparations for permanent paving are underway.

Later this year, a contractor will remove these temporary patches and proceed with permanent paving of these streets. Watch for an email confirming the permanent paving date(s) and visit the dedicated project webpage at TVWD.org/MeadowGrass for updates.

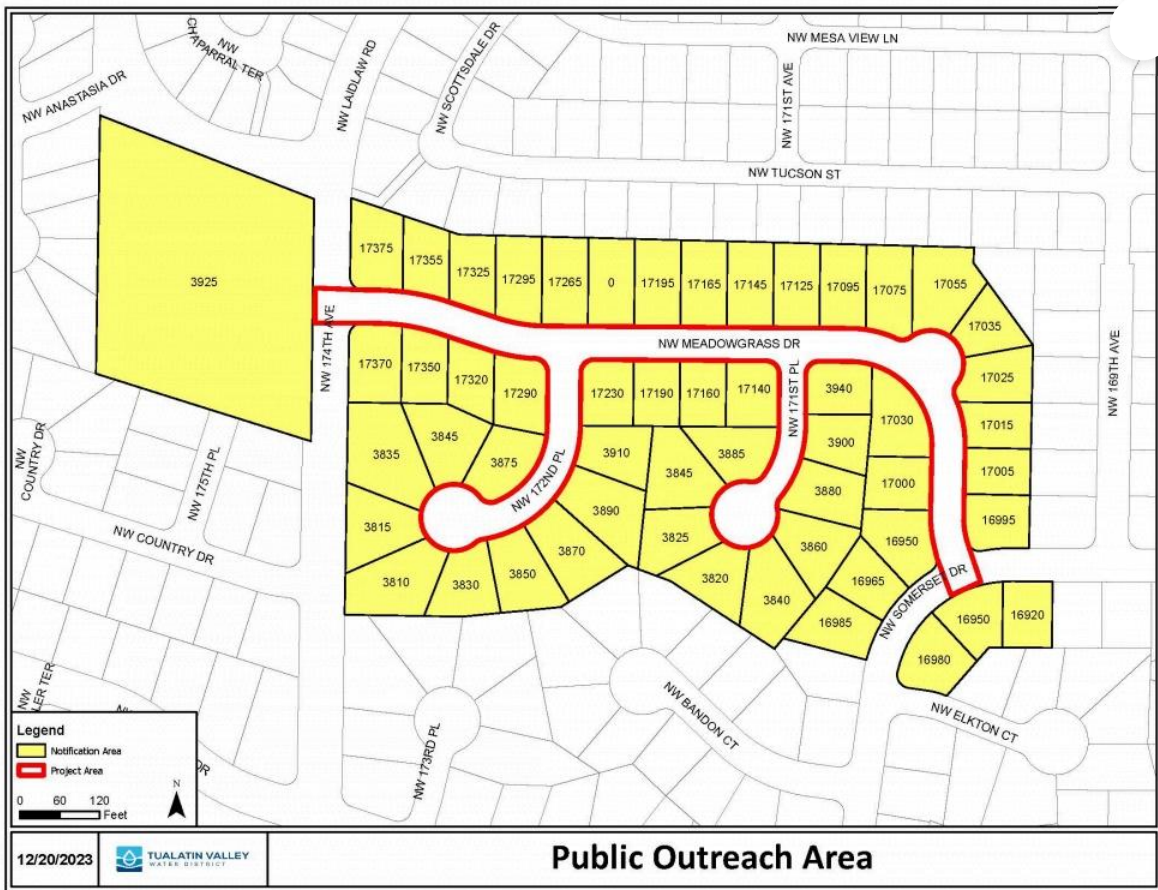

Questions?

If you have questions or concerns related to the planned water service shut off, please contact TVWD as soon as possible.

- Call: (503) 848-3000
- Email: Communications@TVWD.org
- Access: TVWD.org/MeadowGrass
- Visit: 1850 SW 170th Avenue, Beaverton, OR 97003

TVWD appreciates your support and understanding during this important water system project. Learn more about TVWD – your drinking water provider – at TVWD.org.
